## Changing Face of Philanthropy

**Faye Wightman**

**Interim Executive Director,  
Canadian Cancer Society**

Faye has a 30+ year career rooted in making a difference in the lives of Canadians by working with local, provincial and national organizations to hone their skills and move the organization to a level of excellence.

For eight years Faye served as President & CEO of Canada's largest community foundation, the Vancouver Foundation. Under her leadership, the Foundation was seen as a vital part of the social fabric of the province. During her tenure, programs were created that addressed some of the region's most pressing issues, including concerns around community and cultural isolation and labor market issues facing the non-profit sector.

Faye has extensive non-profit leadership experience including serving in executive-level roles at the BC Children's Hospital Foundation, the Children's & Women's Health Centre of BC and Sunny Hill Health Center Foundation for Children, to name a few.

Faye will be speaking on the changing Face of Philanthropy.
